

Eligibility Criteria

As Access Innovation is an ERDF funded project there are certain eligibility criteria for companies who are interested in taking part.

If you answer 'yes' to all of the following criteria then you are eligible for Access Innovation support:

- You have between 1 – 249 employees
- You are geographically based in Lincolnshire, North Nottinghamshire or the Welland
- Your annual turnover in the last financial year did not exceed 50 million Euros (approximately £42.5 million)
- Not more than 25% of your company is owned by another company that in itself is not classed as an SME (small to medium sized enterprise)

If you are not sure as to your eligibility please just call Caroline Hodgson on (01522) 837006 to make an informal enquiry. Caroline can also be contacted by e-mail at chodgson@lincoln.ac.uk

If you are interested in engaging with either the Business or Law School at University of Lincoln but you know you are not eligible for the Access Innovation programme, please contact our Employer Engagement Manager, Stephanie Schiaffonati, on (01522) 837022 or e-mail sschiaffonati@lincoln.ac.uk
